

HASTINGS CASTLE.

HASTINGS.

Raphael Tuck & Sons "OILLETTE" [Regd.] Postcard 7177

ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

*By Appointment.*

Hastings Castle is a fragmentary ruin on the precipitous western spur of West Hill the precincts of which have been laid out as a pleasure ground. William the Conqueror had a castle on this spot, but the present ruins are of later date. The castle lapsed into a condition useless for defence during the 13th century and after that period was used as an ecclesiastical residence.
